

We set the standard for curriculum resources. Now, we're raising the bar even higher to support teaching and learning ... **without the book!**

Introducing...

switch

We're proud to partner with you to launch **Switch!**

Switch is an innovative **online learning platform** that keeps the focus on learning, while creating limitless opportunities for you to deliver content tailored to your learners' individual needs. The use of SWITCH technology makes learning more flexible and opens doors to a range of interactive experiences - all within a 100% digital environment.

Switch takes our learning content and puts it in an online environment. **Summative Assessment** is seamlessly integrated into the learning content (wherever possible) so learners are assessed in real time with the content fresh in their minds.

With **Switch**, you are in control! You can **modify content yourself**, providing a richer, customised learner experience. Customising learning content and formative assessments is simple and allows you to create your own world of learning, unique to your learners' needs.

So join with us and make the SWITCH today!
